

Presentation follow up as promised from Avast

Sunland Computer Club

Here is the AVAST presentation from last Friday, with the links from his program.

The questions asked during and after the presentation, let me know the presentation was well received and, the laughter assured me that I didn't put anyone to sleep.

Please find Instructions to successfully install Avast and other helpful links and tips at <https://goo.gl/5v4sIQ>

Don't forget to scroll down to see all (3 pages) of the information.

If you found this presentation helpful, please let your friends in other clubs know that it's available totally free of charge and without any strings attached.

If you're truly ambitious, letting Dawn at Avast know what you thought of the presentation would also be nice. (If you didn't like it, it's still OK to let her know that too.)

You can contact her at leonetti@avast.com. Please put Bob's Security Seminar in the Subject line.
