

PICTURES AND PICTURE APPS ON SMARTPHONES

I WANT TO DO MORE WITH THE PICTURES I TAKE

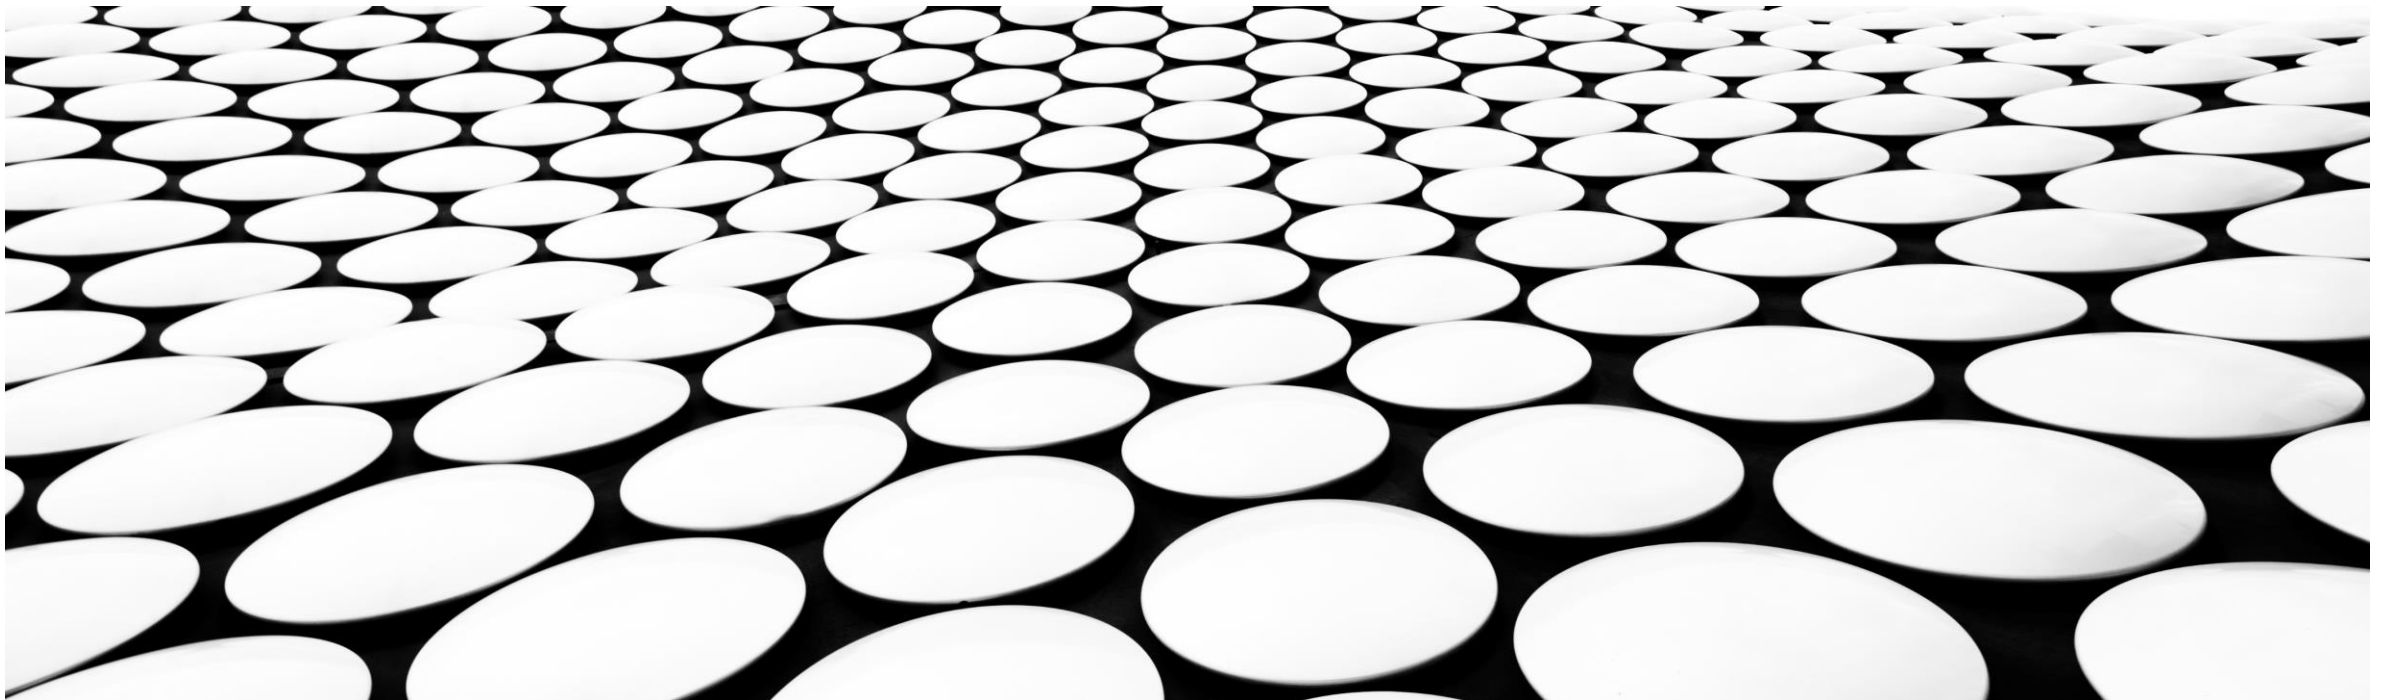

InShot
Software

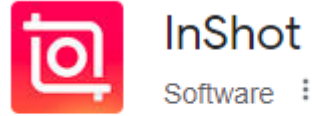

Collage Maker
- LiveCollage

LiveCollage

BACKGROUND

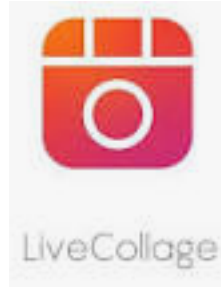

Initial release date: March 5, 2014

- **What Is It Used For?** InShot is a photo and video editing app for iOS and Android that lets you explore all sorts of editing and enhancement options.
- **Is InShot Safe?** InShot will never collect and store any face data when you use our application. And any info can not be shared with any third parties.
- **Can InShot Edit Photos?** InShot is also a easy-to-use photo editor. Edit pictures and selfie, remove photo background and make photo cutouts, make photo collages and add text and stickers.
- **Does InShot Keep Your Pics/Videos?** In order to improve your experience, InShot will store the contents of the draft box locally on the device until you actively delete it not limited but including the video and the audio material applied to video. ☒This is only for your convenience and will not be used in any other way.
- **We will use this app for PICTURE editing.**

BACKGROUND

Collage Maker
- LiveCollage

LiveCollage

- **What Is It Used For?** It's got some high-quality tools, but not as robust of a selection as the top apps on this list. It is available on both iPhone and Android and comes with a free trial before it requires you to subscribe to keep using its other features.
- **Is Live Collage Safe?** Yes. Collage Maker - LiveCollage is very safe to use. This is based on our NLP (Natural language processing) analysis of over 65,401 User Reviews sourced from the Appstore and the appstore cumulative rating of 4.7/5.
- **Is Live Collage / Collage Maker Legit?** Yes. Collage Maker / LiveCollage is a totally legit app.
- **We will use this app for PICTURE editing.**

THE PROCESS

FREE VS SUBSCRIPTION & APP1 VS APP500 ?

- Both Apps have FREE and SUBSCRIPTION models. No signup required for FREE version.
- Lots of variety using the FREE versions of each app.
- FREE version – keep things simple, but still have fun and use your creativity.
- There are MANY MANY other Picture and Video Editing Apps. Experiment as you like – using the FREE versions until you are certain you find the app that suits you and you want to subscribe to it –or– just continue to use the free version.

INTERACTIVE SESSION

- Does everyone have both apps downloaded and installed?
- Start with INSHOTS then try LIVE COLLAGE.

- Consult YOUTUBE to get examples on how to try different things.

VOILA AI ARTIST

- More complicated than the others.
- Allows you to transform a portrait picture to multiple styles.
- **What Is It?** Voilà AI Artist , a special little app that turns your photos into stunning pieces of art such as Funny Cartoon, Renaissance Painting, Hand Drawn Caricature by combining Human's creativity and Artificial Intelligence's capabilities.
- **Is It Safe?**
 - TYPES OF DATA COLLECTED
 - Photos.
 - We may collect the photos, that you upload from your mobile device while using our application via your camera or camera roll if you have granted us permission to access your camera or camera roll.
 - Please note, you won't be able to upload content from your camera roll unless we can access your device's camera.
 - We do not collect your photo albums even if you grant us your access to them.
 - Please note that although we do not require or/and request any metadata attached to the photographs you upload, metadata (including, for example, geotags) may be associated with your photographs by default
