

Let's Try Zoom Meetings

This will be a guide for:

Installing Zoom (maybe)

Creating a Zoom Account (or not)

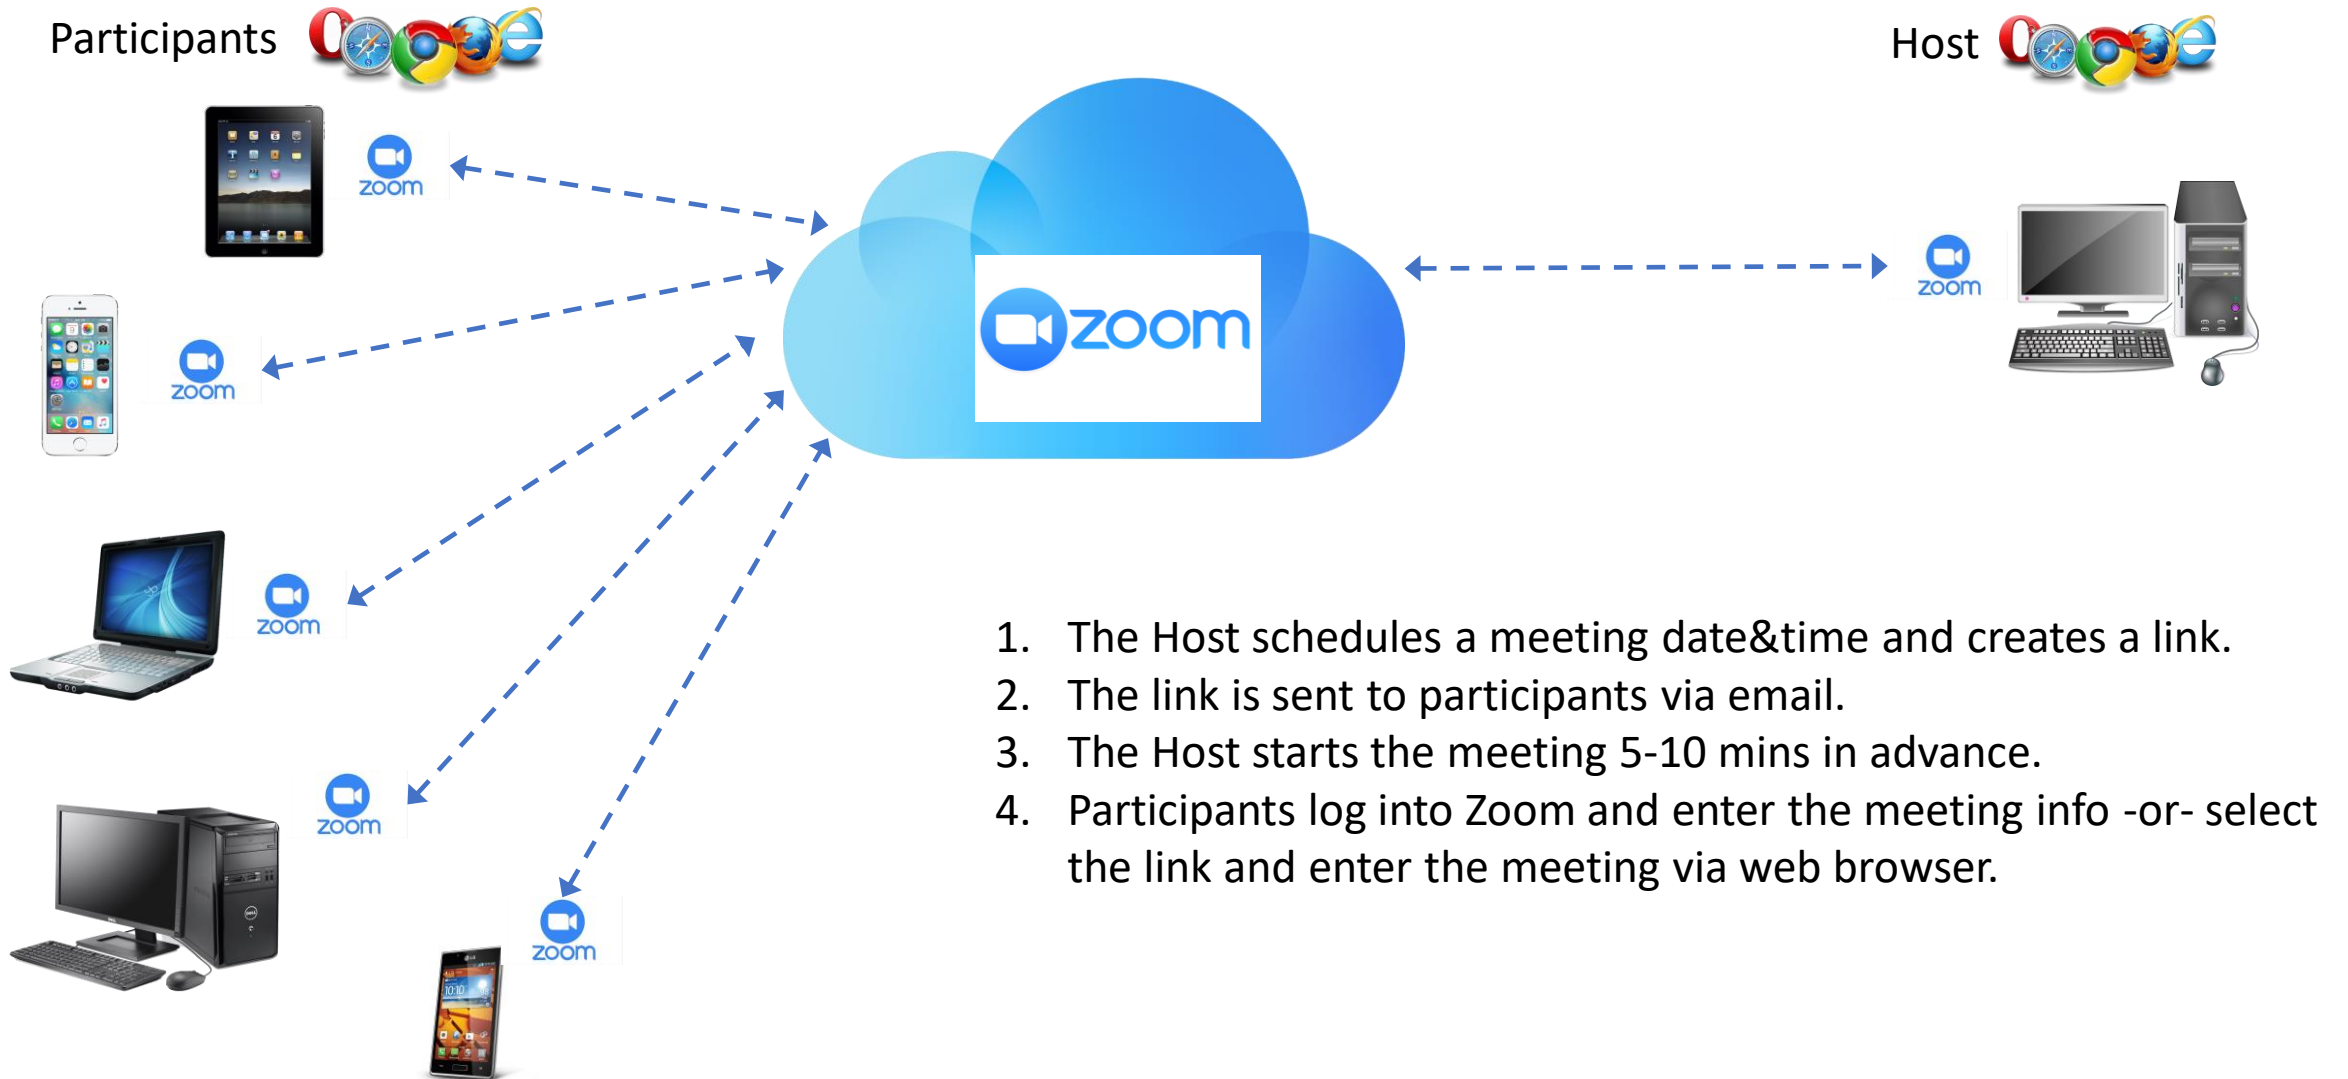

Connecting to SLVCC Meetings via the Zoom App (possibly)

Connecting to SLVCC Zoom Meetings via the Web Browser (more likely)

What is Zoom ??

- Zoom is a secure and reliable video platform that powers many communication needs: Like - meetings, chat, phone, webinars, and online events.
- SLVCC would like to use Zoom for Meetings.
- We hope in the future that most (all ?) SLVCC meetings will be accessible via Zoom.
- Good if you cannot make it to Capri Hall.
- Zoom can be used on your smartphone, tablets/ipads, pcs/laptops/Macs.

A Quick Diagram of Zoom Connectivity

1. The Host schedules a meeting date&time and creates a link.
2. The link is sent to participants via email.
3. The Host starts the meeting 5-10 mins in advance.
4. Participants log into Zoom and enter the meeting info -or- select the link and enter the meeting via web browser.

How Does That Work (Web Browser) ?

- Participants log into Zoom and enter the meeting id -or- select the link and enter the meeting via web browser.

- Free Zoom Meetings are 40 minutes in length.
 - If we need to go longer then the Host will logout and back in again (this resets the counter).
 - Participants will need to disconnect and reconnect as well (just like restarting a new meeting).
- To close out of the meeting either before or at the end, just close the App or close your browser tab.
- Zoom Meetings can be hosted from anywhere.
- SLVCC Meeting will likely be hosted from Capri Hall.
- You NEED an Internet Connection for this.
 - Your smartphone can use cell data or Wifi.
 - Your tablets/PCs can use Wifi or your home connection.
 - So You can be at a Starbucks or visiting grandchildren and still connect to the Zoom Meeting. BUT Make sure your using ear buds 😊 (especially @ Starbucks)
