

Today's Bird Feeders

No Longer Just A Dish

Property of The Sunland Village Technology Club 2024

Traditional Bird Feeders

Traditional Bird Feeders

- ? What kind of birds do we get
- ? When are they most active
- ? What do they sound like
- ? What are their colors like

I have to stay far away, because if I get too close they scatter

Bird Feeders And Technology

- Wifi Enabled (connects to your home network)
- Artificial Intelligence (identifies birds)
- Smart Device Apps
(view and listen)
- Share to Others
- Watch Snippets or Watch Live

What Do You See?

The Video (either live – or previously recorded)

The App (lots of options)

- Everything is at your finger tips.
- Practice moving around (it's the best way to get comfortable with the device).
- Remember !!!!! You wont break it !!!!! You may lose some pictures – or not get the recording you wanted, but practice – practice – practice.

What Else Is There ?

Birds !!!!!!!!
